(4) On Monday April 29, 2002, the undersigned began work on a response to the Official Action of 11/27/2001 in the subject case, but had a telephone interview scheduled for 4 PM, and apparently decided that it was necessary to accept a third month extension of time. (The writer worked on a response to an Official Action of 11/02/2001 in a different case at least part of his normal weekend work time on 4/27 and 4/28/2002. The acceptance of the third month extension in the present case was due to a very heavy work load and not with any intent to delay prosecution.)

(5) A response to the Official Action of 11/27/2001 is enclosed herewith.

Respectfully submitted,
